MAY 3, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 31

THIS TUESDAY

Munir Batti is President of the Friends of the Library. They are the non-profit support team for our local library. **LATE BREAKING NEWS:** At this Tuesday's City Council Meeting they will consider a proposal to 50/50 partner with LA County to remodel our Library at a \$1.9 million cost for each.

LAST TUESDAY

Elizabeth Dever is the Director of the Pasadena Ronald McDonald House. She joined the organization in 2009 assuming leadership at the House, she worked at Shriners Hospitals for Children in Los Angeles for more than 10 years.

The mission of the Pasadena Ronald McDonald House is to provide a community supported "Home Away From Home" for families coming to the Pasadena area seeking advanced medical treatment for their critically or terminally ill children.

Since they opened in 2004 more than 13,000 children and families have stayed at the two classic 1912 craftsman style homes directly across from Huntington Memorial Hospital.

They receive 10-15% of their \$650,000 annual budget from McDonalds franchises and the balance from fundraising. They have 3 full-time staff members: Director, Special Events, and Operations. Pictured to the right are just some of our Angels of Mercy along with Elizabeth (in red).

We welcomed former member Frank Deckon. Frank mentioned that Troop 161 from the Methodist Church will celebrate their 95th birthday this October. Scouts will also be helping at the Postal Food Drive on May 14. On Wednesday, May 4 after a two month break provided by Cloverly Elementary School we will again become Angels of Mercy again for Ronald McDonald House. The theme is turkey with Bob Rodenbucher and Matt Smith providing the Main Dish, Salad by Dave Seltman and Sue Matchett, Bread by Rich Wenzel, Drinks by Steve Montesanti, and Dessert by John Gera and Ron Dorazio.

Bob Rodenbucher has tickets for sale to the Temple City Sportsmen Annual Fish Fry. This is a great event that serves a great fried or baked fish dinner. The event takes place on Saturday, May 14 at the Arcadia Community Center. Tickets are \$15 each with children under 12 for free. I have attended many times and the food and fun is really good. You just might win a prize.

Our meeting room finally looked like a rehab center. It was great to have Matt Smith back with us while still taking some antibiotics. Jim Robuck is making progress. Bill Hohl minus part of his colon and stomach was normal again because he was complaining about everything. Steve Montesanti is beginning 6 weeks of radiation.

The infamous duo of "I'm Workin On It" Mike Lepore and Sue Matchett have stopped working. The slate of officers they are proposing are: President Steve Montesanti (4th time a charm), VP Mike Lepore, Secretary Ron Dorazio, Treasurer Matt Smith, IPP Steve. Directors are Dan Arrighi, Jerry Jambazian, Tom McIntee, Sue Matchett, Jim Robuck, Bob Rodenbucher, and Mike McVey.

Public School's Recognition Night will take place at Emperor School on Monday, May 2 from 6:30 to 7:30 p.m.. We need about 6 members to help barbecue hot dogs. All you need to do is wear your Kiwanis shirt and show up at 5:45.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the happy students was their teacher Mr. Randy Green celebrating his 20th year in the district..

Calvin is 12 years old and has an older sister. He enjoys watching Anime, doing math, and playing with his friends. Calvin said, "The best things about Longden are the nice people, and the knowledge the teachers impart to us." The best thing that ever happened was being introduced to Anime and meeting wonderful people. If he could change one thing, it would be to stop crimes and war. Personal goals are to attend a good college and help his family.

Matthew is 11 years old and has an older sister. He enjoys drawing, and playing basketball. Matthew said, "The best things about Longden are the teachers and staff, my friends, and the education we receive." If he could change one thing, it would be all the hungry people in Africa who can't afford to buy food daily. Personal goals are to build a monument that will last a million years, get good grades, a good job, and to be successful in life.

Pauline is 11 years old and has an older sister. She enjoys playing badminton and the piano. Pauline said, "The best things about Longden are there is there no homework on the weekends, you can make great friends here, and Mr. Green teaches his subjects in a fun way." If she could change one thing, it would be to have more fun field trips like Knott's Berry Farm. Personal goals are to build the 8th wonder of the world in California, make new friends, continue to do good in school, and travel the world for badminton tournaments.
