

Hello, _____!

As a service project, _____ will be collecting pull tabs to donate to The Los Angeles Ronald McDonald House. We're helping keep families together when it matters most, and we're teaching our students and/or employees the value of recycling! Group members can bring tabs to _____ in any container to be sent to the Los Angeles Ronald McDonald House.

The Los Angeles Ronald McDonald House provides a "home away from home" by providing free housing for families with critically ill children seeking medical treatment at local hospitals in Los Angeles. Their mission is to provide comfort, care and support to families going through some of the most difficult times. Pull tabs are recycled to earn money to help provide all the comforts of "home" to these families. We can also earn rewards and/or certificates for collecting tabs and participating in this program.

Please contact our Volunteer Coordinator, VBorunda@rmhcsc.org or visit rmhcsc.org/losangeles for more information. Your support of this program and the families of critically ill children is greatly appreciated!
